

## APPENDIX 10 ( c) Code for Tennis Leaders & Coaches

Tennis Coaches and Leaders play a vital role in children's tennis. Dublin Parks Tennis will ensure that the work of Coaches and Leaders is directed by this safeguarding guidance and best practice whilst also recognising that they are entitled to obtain a healthy sense of achievement and satisfaction through their involvement in children's tennis.

**To act as a role model and to promote the safety of participants in Dublin Parks Tennis programmes, the Tennis Leader should create a safe and enjoyable environment for children by:**

- Making sure all levels of participation should be enjoyable and fun.
- Prioritising skill development and personal satisfaction over structured competition.
- Ensuring that the level of play is appropriate and that realistic challenges are set for all young participants.
- Avoiding favouritism and ensuring that each child receives the attention that is appropriate to their tennis needs.
- Praising and encouraging effort as well as results.
- Showing respect for all involved, both children and adults.

**Recognise and ensure the welfare of children by:**

- Keeping attendance records.
- Not exposing a child to criticism, hostility, or sarcasm.
- Not swearing at, ridiculing, shouting unnecessarily, or arguing with a child.
- Ensuring there is adequate supervision.
- Being aware of the child's developmental needs at each stage of the programme. This is laid out in Tennis Ireland Long Term Player Development Pathway
- Being aware of children's special medical conditions as highlighted by their parent/guardian on the registration form.
- Involving and updating parents, especially if a problem has arisen.
